

GI-368 TRUCK TYRE

Excellent Carrying Capacity for Heavy Loads Off-Road

The GI-368 is Falken's open-shoulder wide-base tyre that's packed with features to ensure casing protection and extend the life of the tread rubber.

This tyre can withstand harsh off-road conditions and rugged road surfaces through its innovative compound engineered to combat tread tearing.

The GI-368 provides resistance to cut and chipping whilst also delivering solid on-road traction and stability.

ON & OFF ROAD

CITY

STEER

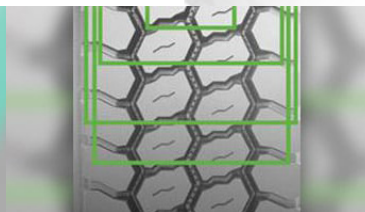

All Purpose / Mixed Service

WIDE FOOTPRINT WITH DEEP TREAD DEPTH
Optimizes biting edges and traction.

CURB GUARD ON SIDEWALLS
Protects the casing from in-service damage.

FOUR STEEL BELTS
Enhance puncture resistance and improve retreadability.

CUT AND CHIP RESISTANT TREAD COMPOUND
Comprised of a much softer compound that is flexible to prevent puncture during ride on rough terrain.
