

RI-128 TRUCK TYRE

Highway Service

The RI-128 features a wide tread design for general applications.

The premium base rubber compound was engineered for optimal retreadability with low rolling resistance and high mileage.

The RI-128 is the ideal choice for cost-effective long-haul performance.

On - Road

FEATURES AND BENEFITS

- Rib pattern designed for sure steering and trailer axle highway use.
- Excellent wear resistance, durability and handling at high speed.
- Excellent stability on wet surface.

STRAIGHT GROOVES AND STRESS-DISPERSION SIPES

Promote even wear and contributes to exceptional wet traction.

CURB GUARD

Protects the casing from in-service damage.
