

## RI151 TRUCK TYRE

### Regional Service Tyre with High Mileage Capability

The RI151 tyre is built with a wide tread surface for a stable drive to boost driver confidence. An innovative tread compound adds high mileage capability to minimize tyre maintenance, and wide outside shoulder ribs were designed to help prevent irregular wear.

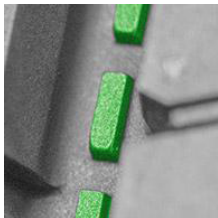

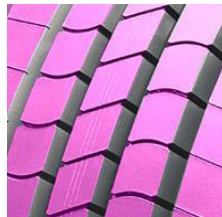

This regional-use tyre was created to deliver dependable service for a wide range of on-highway applications.

### FEATURES

#### OPTIMIZED FOOTPRINT >

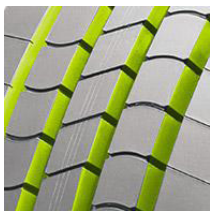

Promotes even wear by completely redesigning the footprint shape, evenly distributing contact pressure for long, even wear.

< **STONE DEFENSE FEATURES**  
Effectively minimize rock and pebble packing to protect the belt package and casing from stone drilling.

#### WIDE OUTSIDE SHOULDER >

Improve on-road stability for enhanced driver confidence and tread life by distributing the load across a wider tread surface.

< **HIGH-QUALITY BASE RUBBER COMPOUND**  
For optimal retreadability.
