

AZENIS RT615K+

Street-Legal Motorsports Performance and DOT - Approved Track Tyre

The AZENIS RT615K+ is a championship-winning street tyre that is extremely popular for today's sports cars, performance compacts and sedans.

With its world-spec construction and advanced compound for street and track use, the RT615K+ confidently maintains grip both in street and track conditions.

Through its proprietary technology, the motorsports inspired 8/32nd tread design and solid center rib provide significant traction and sustains strong grip in dry conditions.

Available in 21 sizes from 14-inch to 18-inch, the RT615K+ is the track tyre of choice with a UTQG rating of 200 A-A.

FEATURES AND BENEFITS

- Massive Sport Side Shoulder Blocks - Deliver Motorsports level grip and unsurpassed durability
- Variable Shoulder Depth Design - Helps reduce tread block squirm and promote long lasting wear uniformity
- Solid Center Rib - Significantly reduces wheel spin by reducing contact patch void ratio under heavy acceleration
- High Tension Carcass - Increases handling response and high speed stability
- Steel Belts - Offer greater tread rigidity, superior grip and high speed stability
- Joint-less Nylon Cap Ply - Increases durability at high speeds and promotes long lasting even wear
