

LINAM VANO 1

Durability, Safety and Mileage

Our newest generation of commercial tyres for light trucks and vans. The **LINAM VANO1** offers excellent mileage, superb durability and great safety and outstanding performance on wet roads in all applications.

FEATURES

4D NANO TECHNOLOGY >

Features new compound advancements through biomass materials to help improve tread flexibility and adhesion while simultaneously reducing polymer heat generation.

SYMMETRIC NON-DIRECTIONAL FOUR-RIB TREAD DESIGN >

Provides optimal handling stability and comfort while allowing cross-rotation patterns to fight irregular wear.

< ADAPTIVE CONSTANT PRESSURE

Maintains consistent contact pressure with the road surface resulting in excellent directional stability and dynamic performance, shorter braking distances, enhanced grip and even wear characteristics.

THREE LARGE CIRCUMFERENTIAL STRAIGHT GROOVES >

Effectively evacuate water and significantly enhance hydroplaning resistance for enhanced wet performance.
